Kendra. Thanks for the update. Just curious how far back records go. I did some abbreviated hazwopr training after Katrina Rita and Ike responses. Maybe as late as 2008? Lisa might recall we had some mandatory training for the Branch. I understand it will make no difference for this event, but I am interested to know if that was captured along with ICS training.

Susan

Mike McCorkhill has not completed the 24hr initial HAZWOPER training nor any other H&S training. **Therefore he is not authorized to deploy in support of the Gold King Mine Spill.**

Donn Walters is overdue on his annual 8hr HAZWOPER refresher training; last date of training was on 5/21/14. **Therefore he is not authorized to deploy in support of the Gold King Mine Spill.**

Please let me know if you have any questions.
